Academic Year: December 2020/21

Dear Parents & Carers,

We would like to thank everyone for supporting us through these challenging times and for following the COVID 19 measures to ensure our schools and communities are as safe as possible. The current guidelines are available for you to read on our websites: <https://addleyn.sch.life/>, <https://hifieldn.sch.life/>, <https://grclands.sch.life/>.

These measures will continue into January 2021 in order that your children can continue to attend safely and access the nursery provision and all the experiences that are vital for children's learning and development.

May we remind you that if any member of your family has one or more COVID 19 symptoms i.e. new continuous cough, temperature, a loss of taste and smell the whole household must isolate whilst the symptomatic person gets tested and awaits the result. Should your child develop symptoms, you should book your child a test by visiting <https://www.gov.uk/get-coronavirus-test>. Your child should remain at home for 10 days or if they have been tested and receive a negative result, they may return to nursery. Please follow the Track and Trace guidelines attached.

Apply for Reception 2021

Apply for a reception class for your child (3-4 year olds) online via the Birmingham City Council website or call Admissions and Appeals 0121 303 1888 for further information. Closing date **15th January 2021** for Reception.

Regular Attendance in Nursery

Attending regularly is very important for your child's future academic achievement. We know that children who have good attendance settle better, learn more and achieve good outcomes. This also shows children how education is valued and establishes a routine for them when they enter school.

Cold Weather

With the cold months please make sure, children are wrapped up warm with hats, gloves and scarves. Listen to local radio and view our websites for any Nursery closures/updates.
